Risk Manager Information Security and Privacy

itrust consulting is a leading actor in information security in Luxembourg, specialized in providing security services like consultancy, technical and organizational audits, technical expertise, research and development and best practices-based security training in dedicated training centre.

Context

itrust consulting has an opening for a motivated candidate, specialized in Risk Management, in direct customer contact (**onsite**), to strengthen our consulting team.

Your role and tasks

- Performing Risk Assessments using market-standard methodologies for risks analysis;
- Using the tools TRICK Service form itrust consulting and MONARC;
- Ensuring Data Privacy Impact Assessments;
- Supporting the further development of TRICK Service, based on the market needs.

Profile of the candidate

- MSc in a subject directly linked to the field of information security;
- Expert knowledge of ISO/IEC 27005, ISO 3100, 31010, and ISO/IEC 27001, 27002, 27701, 29134;
- Proven experience moderating risk assessment at customers;
- Min. 3 years' experience in Risk Assessment (InfoSec|DataPrivacy) and skilled in interacting with customers;
- Experienced in applying market proven methods and tools for risk analysis;
- Capability to work independently and within teams;
- Fluent written & verbal communication skills in English + French (a plus: Luxembourgish & German);
- Analytical and synthesis skills for writing technically correct, convincing, and easy-to-understand reports;
- Excellent knowledge of Microsoft Office tools Word, Excel, PowerPoint.

What we offer you at itrust consulting

- Competitive working conditions and stimulating learning environment;
- An international environment and the opportunity to collaborate with like-minded risk managers and security consultants;
- The right place in Luxembourg for impactful work in information security and increasing the security of our customers' ISMS;
- An IT environment convenient for teleworking;
- Training and on-the-job-learning opportunities in autonomous work for customers under the guidance of security experts of itrust consulting.

To apply, please send (in PDF format) your most recently obtained diploma and ratings for the last two academic years, an updated CV and a letter of motivation to Ingo Senft, info@itrust.lu.
